

INVITATION TO THE BENELUX TOUR 2010

The Benelux Tour 2010 starts in Holland, continues in Belgium and will finish in Luxembourg. The total duration of this tour is 4 days. So join us and experience this unique tradition of touring!

The Benelux Tour is organized by the international representatives of Belgium, Holland and Luxembourg. Each year, start and finish alternate between these three countries and the last evening we always have a traditional BBQ, Dinner or Buffet. Every day of the tour will end on a different campsite, where you'll have to camp in your own tent. You can choose to travel light on a solo bike or to tow a trailer. Be prepared for all weather conditions and make sure that your bike is in good condition.

Every day at 09.00 hrs you will receive the road book for the day to come. You have to participate in the whole event... and not in one or two parts of the tour. The daily distance of the tours will be about 250-350 km. Sometimes less, sometimes even more! This means \pm 7 hours travelling per day. Most parts of the routes are via scenic country roads, always by individual road book (in English)! You can only participate when you are PRE-INSCRIBED. We accept a maximum of 150 Goldwings this year!

We offer the tour on GPS. Mind you, only for Garmin and by pre-inscription. The tour will be made with map version 2010.01. You will receive a GDB file three days before the tour starts. There will be **no GPS support** during the tour.

This year we will start in Holland on Thursday April 29th. This first day we will tour through Holland where we will have our first overnight stay. On the second day, Friday April 30th, the tour continues into Belgium. On Saturday May 1st we will tour to Luxembourg where the tour will come to an end and we all will join in a common meal. On Sunday May 2nd all participants will go their own way.

The costs of this tour are the same for pilot & passenger. These costs are based on 3 overnight stays (campsite in own tents), 3 days of touring by individual road books, a meal (buffet diner) on the last day, the total organization and also includes a T-shirt for all participants that have completed the tour. (please fill in the size of your shirt)!
